Assessment/Plan

#	Detail Type	Description
1.	Assessment	Attention and concentration deficit (R41.840).
	Provider Plan	is asking me to write an rx for adderall; he is leaving for poland in september; He says poland does not prescribe adderall for ADHD but was told if he had an MD here to write a letter, he could get it there. I told him I could not do that but I could refer him to a specialist for evaluation and get their opinion about him needing the medication. He was not happy with this; says he was seeing colleen and then Dr David was writing his rx and he brought in a bottle dated 2016 as last rx.

Plan Orders Referrals: Psychiatry. Evaluate and treat.
